What is Make the Season Bright?

The program offers a simple and heartfelt way for you to reserve a light in Honor or Memory of someone special this holiday season. These lights are then displayed on the exterior of the Hospitality House through the end of the year.

The funds raised will be used to benefit the Hospitality House, which is located on The Medical Center at Bowling Green campus, at 501 High Street, Bowling Green, KY 42101.

We invite you to join us for the lighting ceremony that will be held at the Hospitality House on November 28 at 6:00 pm.

Will you help us **Make the Season Bright** in 2023?

Events will also be held at The Medical Centers at Albany, Caverna, Franklin and Scottsville. Visit LightUpTheSeason.org to learn more.

Light Up the Hospitality House!

The Hospitality House is located on The Medical Center at Bowling Green campus and offers a quiet respite to family members of patients at the hospital.

Since opening in 2011, the Hospitality House has provided lodging for over 9,200 guests, totaling over 31,000 nights of

stay. Guests have visited from 87 counties across Kentucky, 49 different states, and 6 countries.

Donations to Make the Season Bright will support the Hospitality House, a “home-away-from-home” that makes life better for so many families in our communities. Your gift changes lives!

Donations to support the Hospitality House through Make the Season Bright can be made on the reverse side of this card.
