

WHY SUPPORT US?

100% of all sponsorships and proceeds benefit patient care.

Medical and dental care are provided to those who cannot afford these services. The Community Clinic provides temporary aid until a primary care physician can be confirmed.

The Guardian Angel Services Program, solely supported by the community donations, impacts school aged children with healthcare or dental needs.

WHAT SERVICES ARE PROVIDED?

The Community Clinic treats all acute illnesses, along with chronic health conditions such as diabetes, hypertension, and thyroid disease.

The Dental Clinic provides services such as extractions, fillings, x-rays, and regular dental cleanings.

HOW CAN YOU SUPPORT US?

Become a sponsor for Bowling Green's premiere event - The Charity Ball.

Purchase reserved seats and attend the Ball. Tables can be purchased for 8, 10, and 12.

Make a donation in support of The Community Clinic and The Dental Clinic.
