Vacation Permitted (Y/N)	N	N	N	N	N	N	N	Y	Y	Y	Y	Y

Electives	Allergy, Gastroenterology, Family Medicine, Nephrology, Neurology, Non-Surgical Orthopedics (only PM&R), Hematology/Oncology, Orthopaedic Surgery, Pediatrics, Psychiatry, Diagnostic Radiology, Radiation Oncology, Rheumatology, Vascular Surgery, Anesthesiology (only Anesthesia), Infectious Disease, Pulmonary Medicine and Dermatology (only Derm).
Maximum number of vacation days permitted for the training year	PGY-1 level residents receive 15 days of vacation. Residents are also eligible to receive nine holidays (10 during a presidential election year), four bonus days and two wellness days.
List all sites corresponding to the sites in the diagram above	(1) The Medical Center at Bowling Green, Bowling Green, KY
How is the ambulatory requirement met?	Residents will rotate one month with an outpatient medicine physician.
Explain any abbreviations used above	NF = Internal Medicine Ward Night Float EM = Emergency Medicine GS = General Surgery CARD = General Cardiology PCCM = Pulmonary Critical Care Medicine FCS = Fundamental Clinical Skills
If applicable, describe any innovative schedules used to meet requirements	Depending on the resident’s advanced program, the FCS rotation noted in Block 5 can vary based on advanced residency requirements. For example, if a resident is going into Physical Medicine and Rehab, they would be assigned another month of Medicine Wards. If a resident is going into Anesthesiology, they would be assigned another month in the Intensive Care Unit.
